

Rethinking School Streets

30 km/hr

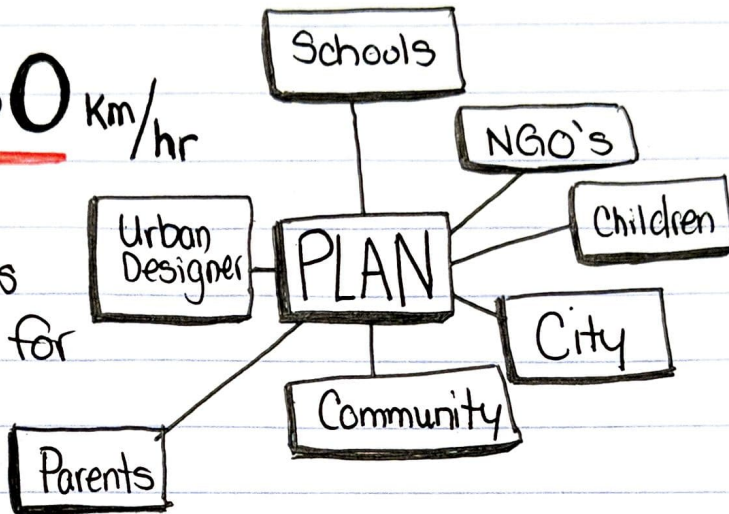

- Install new signs
- Lower speed limits
- Dedicated space for pedestrians
- Special signs

Understand & raise awareness on challenges for kids w/ special needs

Funding can be an issue

Strategies

- timed access restrictions to motorized vehicles during pick-up/drop-off
- Physical barriers to enforce (1-2 hours) road closure
- Pedestrian/Cyclists only access
- low speed limits
- Road Safety education
- Accessible sidewalks/crosswalks
- Space for social distancing
- Community support
- Specialized signage
