

CHILD FRIENDLY CITIES RESET

Beyond the COVID-19 Pandemic

Monday,
February 8
@ 8:30 pm

20

Minute Neighbourhoods

• Pandemics have historically shaped the built form of cities.

Spacial Justice + Planning

Requires consideration of:

1. Planning FOR children
2. Planning WITH children

↓
Need for "Healing Spaces"

Children's Rights

Convention on rights of the Child

ARTICLE 12

Right to be listened to and taken seriously

→ Socio-cultural values are integrated and reflected through community form.

→ We need to evaluate how "just" a community is towards vulnerable members (ie. children)

Limited access to food/resources

Girls increased risk of leaving education permanently

Increase in Children's mental health

CHALLENGES

Social isolation

Violence & abuse in the home
