

# Nordic Placemaking

February 2, 2021

LESSONS FROM THE NORDICS

A child friendly city.

## Kids Tracks

- How they use neighbourhood
- mapping for use in planning
- children learn about responsibility + participation

Creative Thinking

## Challenges!

- Duty not a resource
- Processes do not capture the general opinions of the public
- Difficult to create commitment.

What is a Child friendly City?

Influence decisions

Inclusive

more green space

Childrens opinions

Involvement from the start

prioritize childrens desires / needs

Participation

Co-Decision

Influence

Dialogue

Consultation
