#Playwork #Research

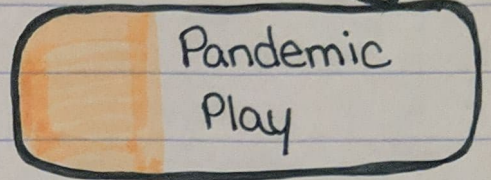

Resource Packages
Rotate pkgs

Add shelter outside

Small changes to existing activities

Free/Physical Play

- ▶ Playing in quiet streets
- ▶ Conference Calls
- ▶ Online games
- ▶ "Corona virus tag" (social distance tag)

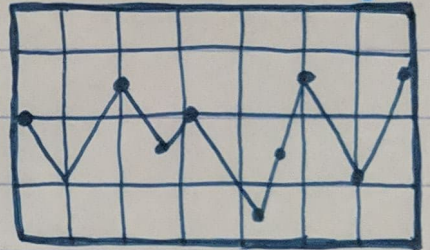

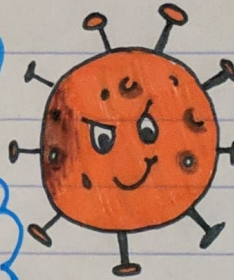

Why Play

- Pivotal in time of Global uncertainty
- Therapeutic aspects
- Gives control

Previous Lessons

- child's voice overlooked
- Playwork provides a "voice" for the child, self awareness and expression
- Conversation on COVID-19; a balance of playfulness, information & honesty

50%
Reduction in Out of School Care Programs Post COVID-19

- ### Activities
- - Sea diorama
 - - Hand monsters
 - - Pond dipping
 - - Wordsearches
 - - Yoga
 - - Friendship bracelets

REASONS FOR REDUCTION IN PLACES:

- Meeting infection control measures (36%)
- Insufficient space for social distancing and bubbles (13%)
- Staffing issues (2%)
